

Presented to

Dean W. Cooke

*For his meritorious and selfless contributions to the
Kalamazoo Section of the American Chemical Society ...*

as a Councilor for 30 years,

as its Chair in 1976,

as Chair of its Education Committee,

as a member of the Awards Committee,

as a helper at National Chemistry Week events,

*as a faithful participant and reliable contributing
member of its Executive Committee, and*

*as a tireless Educator to university students
and to practising teachers.*
