ACS Kalamazoo Section High School Teacher Travel Award Application

Please send this completed application by email to the KACS section secretary. See <https://kalamazooacs.org/contact/> for current email address.

- Requests for up to \$500 will be considered for meeting registration, transportation and lodging expenses for a high school chemistry teacher in Kalamazoo, Allegan or Van Buren Counties to attend the Biennial Conference on Chemical Education at the University of Kentucky from July 28-Aug 1, 2024 (<https://bcce.divched.org/>).
- The deadline for receipt of applications is June 14, 2024 but earlier application is encouraged. The BCCE deadline for discounted early-bird registration is May 31.
- Preference may be given to applicants who are presenting work at the BCCE meeting.
- Awardees are asked to send a short written summary of their experience after the meeting.

Name			
Email address			
Name of high school			
Chemistry courses taught			
Amount requested (\$)*			
Will you be presenting any of your own work at the meeting?	(Select one)	YES	NO
If yes, please give title.			
If you are presenting, are you willing to present your work at our KACS annual local poster event in November?	(Select one)	YES	NO

* Funds will be paid for upon submission of qualified expense receipts.

Please explain interests in attending the BCCE meeting and how you hope that it will impact your work and goals. Limit your answer to the space provided below (about 2000 characters).
